## REFERRAL

### Referral Guidelines

If you complete this form it will enable an Adviser from Kim Pullan Care Support Services to arrange a free Information Visit with you and/or your family to explain in more detail the assistance we can offer to you or your loved one with your Direct Payment. If you would like the form posting out to you please call or email us to request this. 01472 239682/07507 526268 or email [kim@kimpullancaresupportservices.co.uk](mailto:kim@kimpullancaresupportservices.co.uk).

Completing this referral form or having an Information Visit does not obligate you to sign up for our services. Once complete please email back to us, or post to the address at the end of the form. If you have any queries please call us on either of the above numbers.

By completing this form you are confirming that there is no risk to an Adviser visiting the property. Please advise if there are any animals, and whether these can be put into another room if required by our Adviser.

If you decide to go ahead and sign up for one of our support packages we will then ask you to sign a Customer Agreement.
